### 9:43 AM ... GOOD OF THE ORDER

00:43:20

- The AANR office now requires a confidentiality agreement to clarify what information is confidential or proprietary for volunteers.
- Thank you to the management, staff and members of GLEN EDEN SUN CLUB for a beautiful weekend, the perfect weather, and lovely facilities. Everything came together to make this a successful convention.
- With appreciation to everyone who visited the *Western Nudist Research Library*. The WNRL was founded in 2006, preceded by the American NRL at CYPRESS COVE in 1979; however, an earlier library opened at OLIVE DELL RANCH in 1963! The library had over 1500 magazines as well as a lending program. Cecil Snyder – known to Nudism as *Cec Cinder* – and Ray Connett were both active at the club and knew the importance of maintaining history; but that inventory got lost over time and WNRL has recovered only part of it.

### 9:45 AM PDT ... ADJOURNMENT

#### **President** – Request for Adjournment:

With no objections, the Incoming Meeting for the 2024-2025 Board of Directors of the American Association for Nude Recreation, Western Region, is adjourned by proclamation.

Respectfully Submitted,

Secretary, AANR Western Region

## ASA CONVENTION OPENS AT GLEN EDEN

On Wednesday, August 8th, the General Assembly of the American Sunbathing Association convened in Kennedy Grove at Glen Eden.

Representatives from nudist clubs all over North America will attend three

days of meetings to hear officer and committee reports, consider amendments to the ASA bylaws, and elect officers for the coming year.

This is the first time that Glen Eden has hosted the national convention,

but it promises to be one of the best-attended nudist events ever held in the United States.

In addition to the business meetings, there is a full schedule of sports activities and entertainment.
